Drugs, Alcohol and Sexual Assault Awareness

Santa Clara University Wellness Center

November 9, 2015 • 7pm

The Wellness Center focuses on the violence prevention, risk reduction and early intervention related to alcohol and drug use among students. The Wellness Center also works to educate and promote students taking action on behalf of their peers to reduce and eliminate violence and negative consequences of alcohol and drug use.

Internet/Social Media & Teens

District Attorney's Office Santa Clara County

January 25, 2016 • 7pm

Teens primarily rely on social media to communicate with each other. This platform can be used to enhance their world or as a sword to inflict pain. The increased presence of youth online has raised serious concerns about the safety of Internet and social media use. We must continually educate ourselves to navigate through this virtual world.

Mental Health Awareness Event

March, 2016 • 7pm

How is Lincoln High raising awareness, supporting fellow students and educating our community about mental health issues? Mental health conditions are common among teens and young adults. 1 in 5 live with a mental health condition—half develop the condition by age 14. As a community and as parents we can break the silence on mental health struggles and begin conversations about hope and healing.

Come see how Lincoln is promoting safety, hope and awareness.

Sponsored by Lincoln High School PTSA

Events are free and Spanish translation will be offered.

Speaker Series will be held at Lincoln High School in the Media Center.
